

studying together: sabbath school

Bible study groups begin at 11:30am and meet in a variety of locations (see map below). You're invited to attend any of the groups (there's a wide variety of topics being studied).

Children's classes meet in the east wing of our facility (except for the teens who meet in the Youth Chapel) and provide a great opportunity for your child to learn more about Jesus in a warm and safe environment.

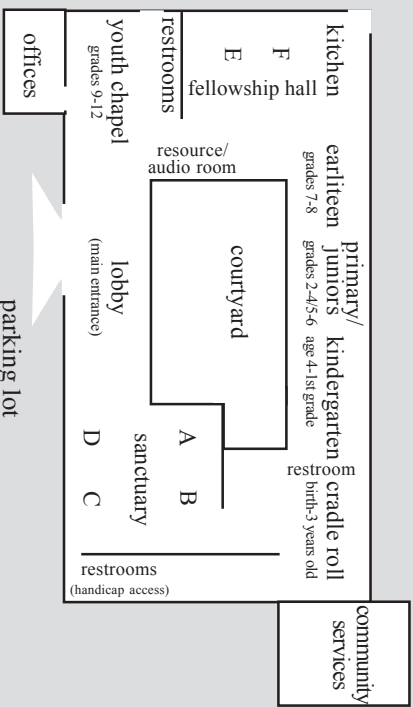

An offering is taken during our study time and supports various mission projects as well as providing study materials for all age groups on Sabbath mornings.

study group locations

Whether you're a member or a guest, you're invited to attend any of the study groups:

- **Adult Quarterly:** *The Fruit of the Spirit*—takes a look at Galatians 5:22, 23 not to focus on how we can become more patient or more loving or more gentle or more faithful but on how we can let the Holy Spirit make us more like Jesus, who is patience, love, gentleness, and faithfulness personified. (**A:** *Left rear of Sanctuary—Teacher: Norman Herron/Calmar Nielsen; C: Right front of Sanctuary—Teacher: Mike Wood*)
- **Second Look:** This group takes a deeper look at the sermon topic presented today. (**B:** *Led by Pastor Dan/Dave in the left front of the Sanctuary*)
- **Bible Basics:** This small group takes a look at the basics of Christian Beliefs. (**D:** *Led by Jim Fraizer in the right rear of the Sanctuary*)
- **Living & Learning Verse by Verse:** Come join us for a lively discussion as we study the book of Matthew. (**E:** *Led Jim Brewster in Fellowship Room #1*)
- **Hispanic Class:** Continuaremos cada sábado, las reuniones en español estaremos aprendiendo a “Cómo compartir el amor de Jesús” (**F:** *Liderada por Norberto Liernur y Joel Obeso en Fellowship Hall #2*)

NATIONAL NUTRITION MONTH TIP OF THE DAY: A Nutty Addition to a Healthy Diet
Nuts are high in healthy, monounsaturated fat, which can help lower blood cholesterol, reduce the risk of cancer, and lower blood pressure. Eating plans that include nuts are more satisfying, leading people to eat less and control their weight. For recipes on how to use nuts in cooking, check out the National Nutrition recipe calendar on the church's website at <http://www-aubdsda.org.adventistfaith.org/> and look under "Health Ministries."

THANK YOU church family for all your prayers while my husband Lee Pool was in ICU. He is better but will spend his life on oxygen. Since returning from the hospital he has not left the house for 2 weeks till Monday when he had a doctor's appointment. Prayers really work. Many Thanks. God Bless each of you. ~Dixie Pool
