School Value Series: Endurance

What's the VALUE in Christian education? Values are the foundational blocks upon which a better life is built including successes in education, skills and talents. An investment in Christian education is priceless! We give challenging work to students to build endurance, as we want all to learn how to respond to life's failures, and ultimately reinvent them into success. Whether in the highs or lows of life, we teach that God's love endures forever and provides strength when we need it most. If interested in sending your child to PHAA, please contact the school office at (530) 885-9447.
